Application Deadline for the Land and Water Conservation Fund Program – May 2, 2005

The Department is pleased to announce the application deadline for the Land and Water Conservation Fund Program (LWCF). The LWCF Program provides matching grants for acquisition or development of lands and facilities that provide for public outdoor recreation. Local units of government, including cities, counties, and districts that are authorized to acquire, develop, operate and maintain park and recreation areas are eligible to apply.

The State's allocation for this year is expected to be approximately \$7 million. Of that amount, about \$4 million will be available for competitive grants to local jurisdictions. Southern California will receive about \$2.5 million and Northern California will receive about \$1.6 million.

Applications must be postmarked or delivered to the Department at the address below no later than **May 2, 2005**.

The procedural guide with application forms and program information is available on the Department's web page at <http://www.parks.ca.gov> and following the link to Grants and Bond Acts. You may also request a guide by writing to the Department at the address below:
